

NAME: MR. Mustafa Mustaqim SHAIKH

Contact Details: 9168545461

E-Mail Address: mustafashaikh1028@gmail.com

SKILLS

- HTML
- CSS (Tailwind CSS, Bootstrap)
- JavaScript
- ReactJS
- NodeJS
- Express JS
- Python (Flask Server)
- JAVA
- MongoDB
- MySQL
- Git/GitHub
- Redux
- Ms-Office

I'm a frontend-focused developer with a strong passion for building sleek, responsive, and user-friendly web interfaces using **ReactJS**. I specialize in creating modern UI experiences with **HTML**, **CSS (Tailwind CSS, Bootstrap)**, and **JavaScript**, and I'm highly skilled in using **ReactJS** alongside **Redux** for efficient state management.

While frontend is my core strength, I also have hands-on experience with backend technologies like **Node.js**, **Express.js**, and **Python (Flask)**, and I work confidently with both **MongoDB** and **MySQL** databases. I follow best practices in version control using **Git/GitHub**, and I enjoy collaborating in team environments that value clean, scalable code.

Driven by curiosity and a love for learning, I'm always working to refine my React skills and stay updated with the latest in frontend trends. My goal is to contribute to impactful projects where great UI meets solid performance.

Executed Projects :

1) Text to Summary Generator (React Js , Python, Tailwind, MongoDB)

Developed a full-stack web application that converts long-form text into concise summaries using NLP techniques. Built a responsive frontend with ReactJS and Tailwind CSS, and implemented backend APIs with Flask for real-time summarization. Features include extractive/abstractive modes, bullet point formatting, dark mode, and JWT-based user authentication.

2) Amazon E-commerce website clone (ReactJS, Tailwind CSS)

Built a responsive e-commerce web application replicating core Amazon features using ReactJS and Tailwind CSS. Implemented product listing, dynamic routing, shopping cart functionality, and a sleek UI. Utilized React state management for cart operations and integrated Tailwind for a modern, mobile-friendly design.

3) Landing Web Pages/Websites (React Js, Tailwind CSS)

Built responsive and high-performance landing pages using **React.js** and **Tailwind CSS**, focusing on modern UI/UX, mobile-first design, and reusable components. Implemented interactive elements like forms and CTAs, with optimizations for SEO and fast load times.

Work Experience :

Over 1.0+ years of expertise in the field of Fronted-Web Developer.

SAT Design & Solutions, Pune (Front-End Developer (Part-Time)) (April 2024 - April 2025)

- **Developed responsive web interfaces** using React.js, HTML, and Tailwind CSS, improving user experience across desktop and mobile platforms
- **Collaborated with backend developers** to integrate RESTful APIs and ensure seamless data flow between frontend components and server logic.
- **Optimized web performance and accessibility**, reducing page load times by 30% through code refactoring and image optimization.

PERSONAL DETAILS:

Name	Mustafa Mustaqim Shaikh
Permanent address	Sr.no 8, House no.20, Taljai Pathar, Dhankawadi, Pune-411043
Date of Birth	28 th Oct 2003
Gender	Male
Nationality	Indian
Mobile No	9168545461
Marital status	Unmarried
Language Known	Hindi, English, Marathi, ETC.
E-mail	Mustafashaikh1028@gmail.com
Hobby	Music , Reading Books , Swimming .

EDUCATION

• **MSC (Computer Science):**
Abeda Inamdar Senior college of Arts Science and Commerce, Pune
Will be Passing out in 2026
CGPA :- 8.136(First Year)

• **BSC (Computer Science):**
Poona college of Arts Science and Commerce, Pune
Passed out in 2024
CGPA: - 8.10

• **Higher Secondary School**
Poona college of Arts Science and Commerce Pune
Passed out in 2021
Marks 81.83%

• **Secondary School Certificate**
Arnyeshwar English Medium School Sahakarnagar , Pune
Passed out in 2019
Marks 68.60%

DECLARATION

I hereby declare that the above written particulars are true to the best of my knowledge and brief.
